

This Quality Policy and its associated Quality Management System applies to all activities of Mouldlife Limited, wherever work is carried out, and is to be followed by all employees as well as any nominated parties working on the Company's behalf.

This Quality Policy is also communicated to staff, customers & suppliers and is made available to other interested parties as required and appropriate.

This Quality Policy is communicated to all Staff when joining as part of their induction process and annually thereafter.

Mouldlife Limited, a wholly-owned subsidiary of the Gazechim Group of Companies, is a distributor and manufacturer of specialty materials to many sectors of commerce. This includes any post-sale activities associated with the products such as the replacement of non-conforming products.

In line with this Quality Policy, Mouldlife Ltd will endeavor to:

- Provide effective services to its customers based on sound business management and a process of continual improvement
- Provide a pleasant, healthy and safe working environment for all staff such as to minimise harm and injury, increase job satisfaction and reduce staff turnover
- Provide a profitable return to its investors such as to encourage further investment to support its existing activities and new commercial ventures
- Ensure that its activities minimise any harm or inconvenience to the environment and the local population
- Adhere to all statutory, regulatory requirements and industry codes of practice, as they apply to its activities

Mouldlife Ltd considers that its key success factors for the delivery of customer satisfaction are effective:

- Sales and Sales Order Processing
- Goods Receiving and Dispatch
- Infrastructure
- Manufacturing (including sub-contract manufacturing)
- Training

To achieve this, it has established and maintains an effective Quality Management Framework planned as a minimum to meet the requirements of ISO 9001:2015. Its aims and objectives are set out in this and associated quality documentation and how to continually improve the QMS by way of Management Review Meetings and Operational Review meetings to help achieving our Quality Objectives.

Its processes are described and controlled within its Quality Management System and all its activities are carried out in accordance with it.

Any proposed change to a procedure or process is approved by the Quality Manager or a person acting as their designate and authorised by the relevant Director of the Company prior to implementation.

The Board of Directors has delegated responsibility for maintaining the Quality Management System to the Managing Director but recognises that the responsibility for achieving and maintaining these standards and support of the Quality Management System rests with the whole Board of Directors and all members of staff.

A review of this policy is carried out annually to ensure it is in line with the organisations strategic expectations.
